

Bike Room Application

I understand that:

1. A refundable deposit of \$250 must be paid to Edgewater Services Ltd before access is granted.
2. The right to use the hook is not transferable.
3. I can only use the hook that has been allocated to me and can only keep one bike in the bike room.
4. I may only hang one bike from the hook.
5. I may not chain my bike to any other bike as this makes access more difficult for others.
6. I will have my access revoked and will forfeit my deposit if I breach these terms.
